Supporting Teva Oncology Products

Reimbursement assistance and support through **CORE** — the **Comprehensive Oncology Reimbursement Expertise** program — is not a guarantee of payment. Payments are based on medical necessity at the time a claim is received.

Teva Cares Foundation is a group of Patient Assistance Programs that provides Teva medications free of charge for patients who qualify.

Teva Oncology also provides support to patient advocacy organizations, such as the Leukemia & Lymphoma Society, and others that have programs designed to help patients access the treatment they need.

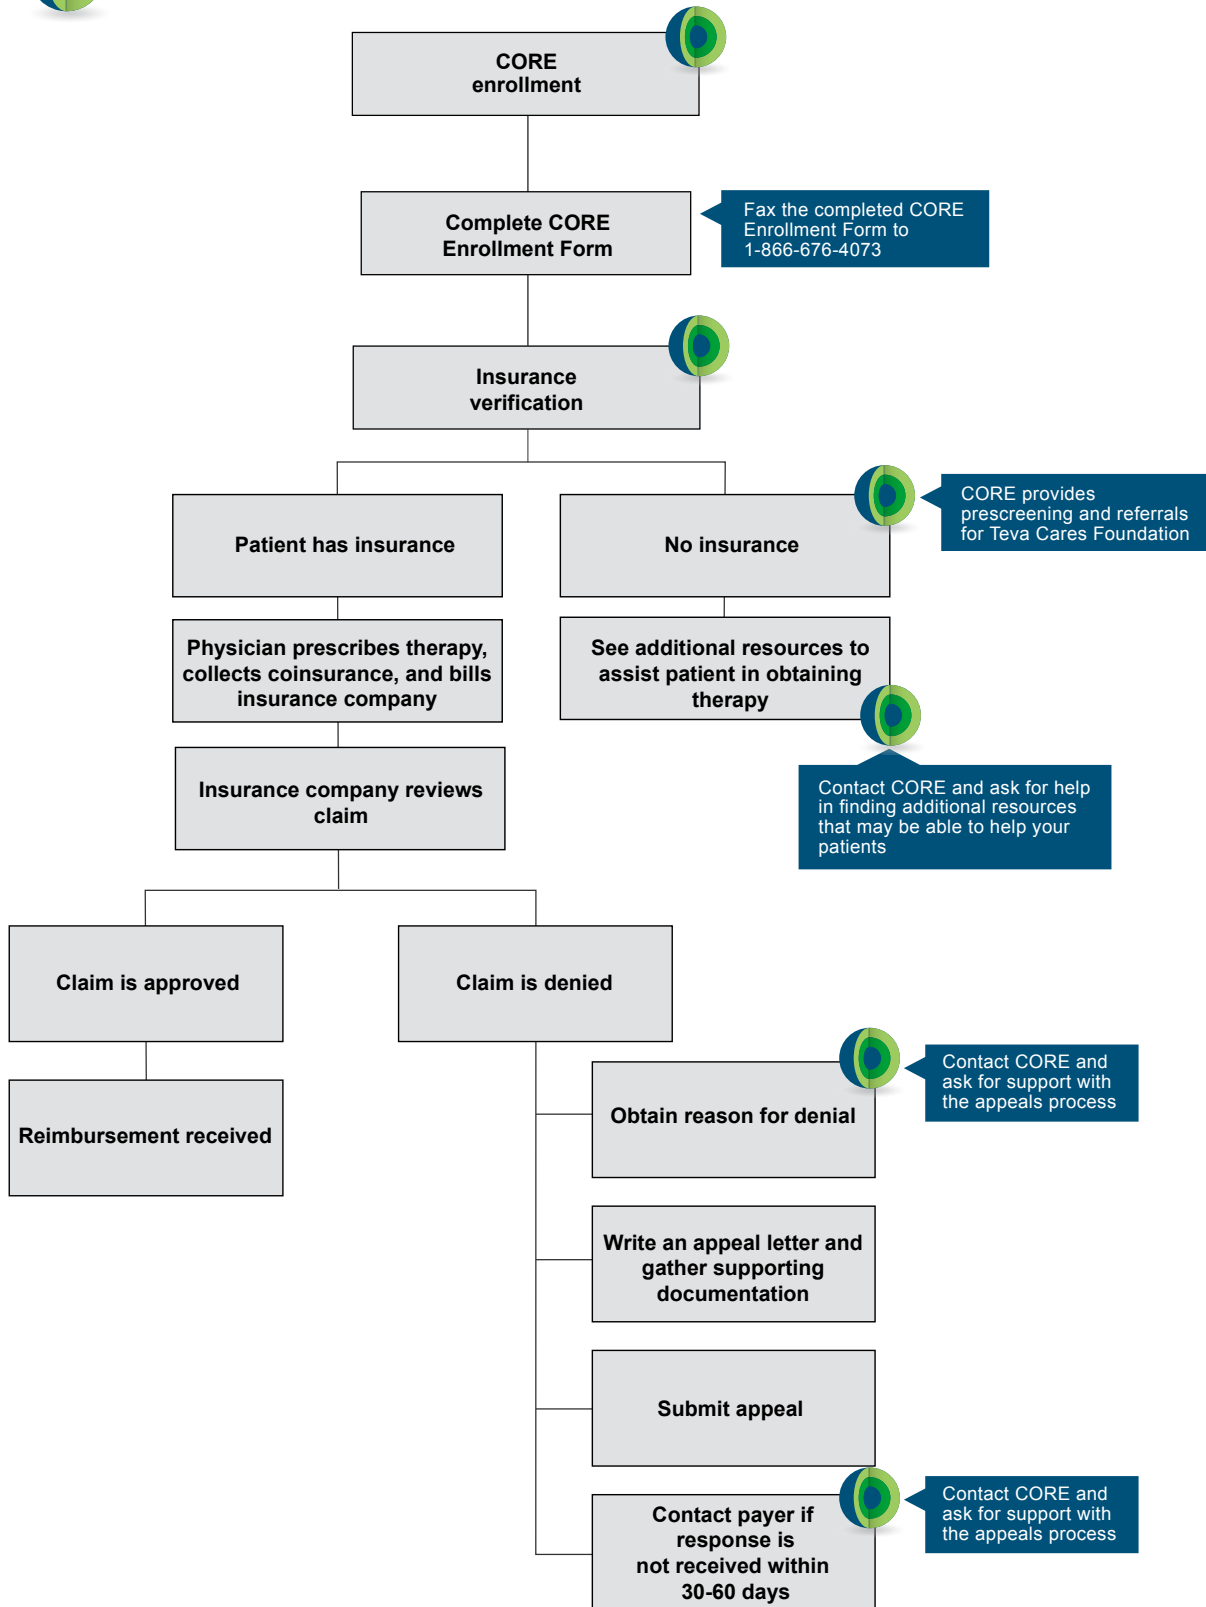

For more information on CORE, call 1-888-587-3263 or visit www.TevaCORE.com

Teva Oncology is committed to helping patients & providers navigate the reimbursement process

At any of these steps, CORE is there to provide assistance.

Reimbursement assistance and support through **CORE** — the **C**omprehensive **O**ncology **R**eimbursement **E**xpertise program — is not a guarantee of payment. Payments are based on medical necessity at the time a claim is received.
